

# Nemanja Kovacevic

## Web Designer/Developer

### Objective

To work for a large scaled Web Design/Developing team, and potentially lead them in the future.

### Education

Academy of Art University at San Francisco

BFA, Web Design & New Media, August 2018 - June 2021

Butte College

Associate in Social and Behavioral Science, August 2016 - May 2018

### Work Experience

Comanche Creek Farms

March 21st, 2020 - May 12th, 2020

Designed and developed ecommerce website.

### School experience

Directly collaborated with my professors, and my classmates to prototype, design and deliver the UI and UX experience with a lean design process: research, design, test, and iterate.

Considering my athletic background one of my major skills is being a team player. Detail oriented, and being on top of my time management. Patient and committed to the team/project.
